3. **Secured Creditors: Motions to Value Collateral ("Cramdown"), Collateral being Surrendered, Adequate Protection**

Payments, and Payment of certain Secured Claims.

A. Motions to Value Collateral (other than claims protected from “cramdown” by 11 U.S.C. § 1322(b)(2) or by the final paragraph of 11 U.S.C. § 1325(a)). Unless a written objection is timely filed with the Court, the Court may grant the debtor(s)’ motion to value collateral as set forth herein.

This section deals with valuation of certain claims secured by real and/or personal property, other than claims protected from “cramdown” by 11 U.S.C. § 1322(b)(2) [real estate which is debtor(s)’ principal residence] or by the final paragraph of 11 U.S.C. § 1325(a) [motor vehicles purchased within 910 days or any other thing of value purchased within 1 year before filing bankruptcy], in which the replacement value is asserted to be less than the amount owing on the debt. **Such debts will be treated as secured claims only to the extent of the replacement value of the collateral. That value will be paid with interest as provided in sub-section D of this section. You must refer to section 3(D) below to determine the interest rate, monthly payment and estimated term of repayment of any “crammed down” loan. The deficiency balance owed on such a loan will be treated as an unsecured claim to be paid only to the extent provided in section 4 of the Plan.** The following secured claims are to be “crammed down” to the following values:

To the extent that the collateral does not satisfy the claim, any timely filed deficiency claim to which the creditor is entitled may be paid as a non-priority unsecured claim. Confirmation of the Plan shall terminate the automatic stay as to the interest of the debtor(s) and the estate in the collateral.

D. Payment of Secured Claims on Property Being Retained (except only those loans provided for in section 5 of the Plan):

This section deals with payment of debts secured by real and/or personal property [including short term obligations, judgments, tax liens and other secured debts]. 8. Treatment and Payment of Claims.

- All creditors must timely file a proof of claim to receive payment from the Trustee.
- If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the plan, the creditor may be treated as unsecured for purposes of distribution under the plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge.
- If a claim is listed in the plan as secured and the creditor files a proof of claim alleging the claim is unsecured, the creditor will be treated as unsecured for purposes of distribution under the plan.
- The Trustee may adjust the monthly disbursement amount as needed to pay an allowed secured claim in full.

9. Vesting of Property of the Estate. Property of the estate shall revert in the debtor(s) upon confirmation of the Plan. Notwithstanding such vesting, the debtor(s) may not sell, refinance, encumber real property or enter into a mortgage loan modification without approval of the Court after notice to the Trustee, any creditor who has filed a request for notice and other creditors to the extent required by the Local Rules of this Court.

10. Incurrence of indebtedness. The debtor(s) shall not voluntarily incur additional indebtedness exceeding the cumulative total of \$5,000 principal amount during the term of this Plan, either unsecured or secured against personal property, except upon approval of the Court after notice to the Trustee, any creditor who has filed a request for notice, and other creditors to the extent required by the Local Rules of this Court.
